ニャ、あの裏切りが重く

Damn it all to hell!!
Miya-sama, please calm down

Do I look like I can stay calm right now!!!
No way! No way in hell!!!
Higashikazuno Miya

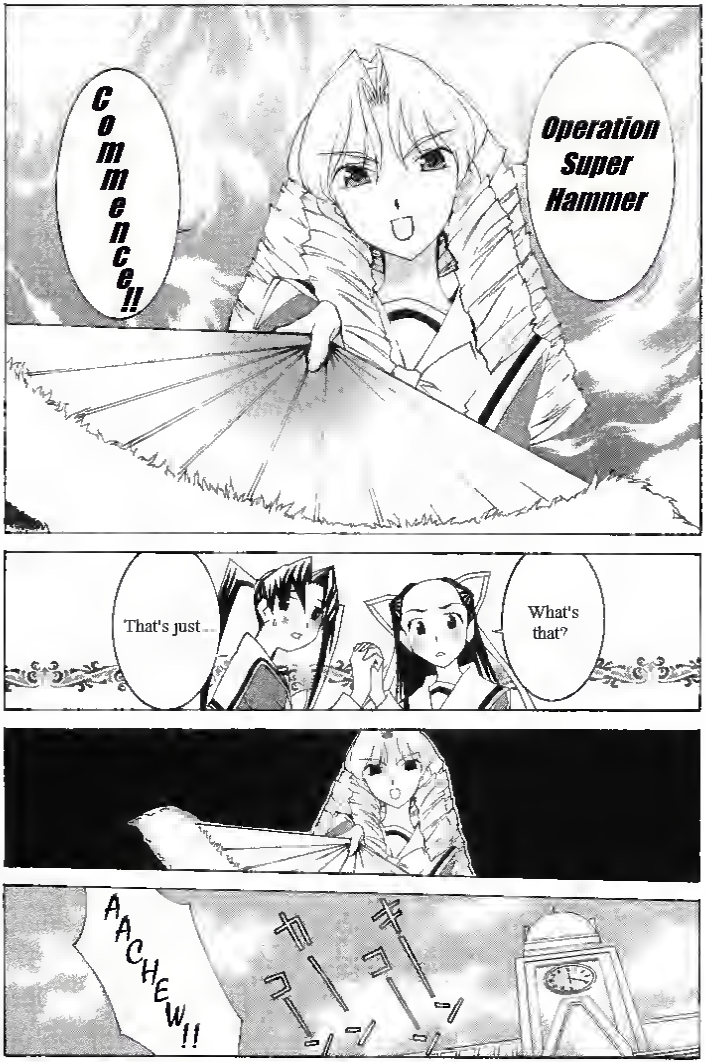
Well, a was just wonderful of you, Yoko-san.
Please try. After all, I brought snacks to our tea ceremony.
Hekusokazura no Kimi
Suidobashi Yoko

Oh no! Mentioning that name is forbidden!
Tanaka Tetsurou that is.
He's completely fit in now.
Asakusabashi Chunk
Kazuko

Because he's here, I can't calm down!!
That's right! Tanaka Tetsurou!!
Unpleasant, nasty, and disgusting!!
His existence is just!!
Hateful
If I had to put it in one word,
Hey, you two!! Are you even listening?!
Aww, how cute
B-Being in the Gokoukai has turned scary

Miya-sama, I want you to know
that I've worked hard to design a plan for you
Ohh that sounds great.
If this plan happens to succeed...
I would like you to .
grant me Hekusokazura no kimi's title.
I'll just whisper it in your ear.
I don't mind that at all.
.....

That's a good idea
Keeping secrets is forbidden !!
I'm sure of it.
This plan is bound to succeed
Well, what's the plan's name?
What should we call it?
♡
This is all for Miya-sama...
This is amazing! Just splendid, Kazuko-san!!



Operation Super Hammer
Commence!!
What's that?
That's just...
AACHEW!!

Oh, it's Yamada-san
I really want a uniform quick
I feel a bit chilly I wonder if wearing just a T-shirt was a bit much
What's wrong Tetsurou-san?
Have you already recovered?
Oh, Asuka-san and Tanaka-mchou
ED: the suffix -mchou means "head doctor" or "committee chairman"
Just call me Tetsurou
Oh!
I totally forgot
And, I'm not mchou anym...
Yeah, I'm feeling great

Yamada san ?!
I-I've got to run!
Wonder if I offended her or something ?
1年酒組
Sign
First Year
Sake
Class
It looks like you just ran away.
And so

You're too much, Satou-san
Or Tecchn for example
You two shouldn't be so giddy
How about a nickname like Tanapu or Nakatetsu?
Maybe Tanacchi?
Or even Tetsutetsu
You probably can't understand with that kind of calm attitude
Well if you have problems saying his name without an honorific,
Hey, who said that just now?!
...Ah.

Sa
-
Satou-san!
Well, it's incredibly rude!
It's gotta be someone in this room.
I wonder if you can stay so cheerful
after you have a look at this.

So what kind of bother are you inflicting on us this time?
Satou-san, don't do it!
What's with these impossible-like things?
There's nothing like that there
What the hell is this?!
・文芸部
・将棋部
・生物部
・ワンダーフォーゲル部
・卓球部

Clubs with only 1 club member will receive...
no budget, right, Yamada-san?
Ah...
Crab bread. ♡
Yamada -san!
Lookie lookie! The prince has appeared!
Kyaa

If you cry your eyes out, he'll probably comfort you
Iidabashi !!
Are you alright?
Ah, I'm sorry I
Yamada -saa!
What's wrong, Yamada-san?

will have its club status revoked
Satou-san what happened to Yamada-san?
It looks like the Creative Writing club
The Creative Writing club has continued since it's foundation
only to find its demise at my hands...
You over there, why are you hugging that tree?

Y... You're
from Tanaka-kun's dorm
You're crying, aren't you?
If someone is crying in the east, I will swoop in to save you
If someone is sad in the west, I will risk my life for you.
I will support the weak against the strong
Who is this girl?!

Lightspeed Warrior Suzuka Akio!
Appearing like the gale winds!!
How about it? Tell me what's got you down.
There's no escape!
Come now
Don't hold back

What's that?
But, I won't lose
Oh, that's what happened... If it goes like that, then the Special Effects club
will get that note too.
So it'll go that far...
as "The Special Effects Club RX".
I plan to apply again
Su-Suzuka-san.
You're amazing, Suzuka-san.
I could never have... the courage to do that...

She started singing?!
Suzuka-san?
Is your youth shining?
Will your life satisfy you?
Are you compromising for a tiny bit of happiness?
Are you hiding your true self?
That is . . .
There is something more extensive than the whole onverse.

This is strange. Really strange.
Why aren't my tears stopping?
An individual ... human's heart ...
If you ...
want love,
without fear of error,
Eh?!

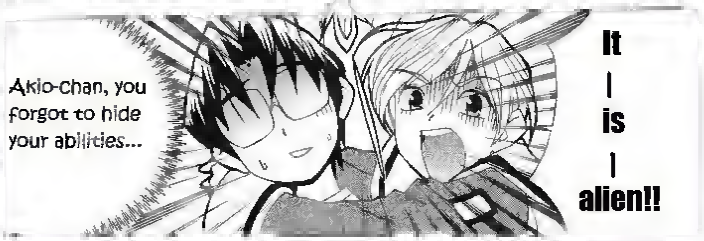
The way you are
Nooooooo
Mom! Mom!

Guess so
H.G. Ahaha
...I have to say it
It's just like the culture festival again
We didn't find Yamada -san. What should we do...?
After the culture festival, Tanaka-iinchou took a string of days off
Satou-san?
Sort of
Ah, she was hurt or something

Yeah, you're right.
T-There's no way.
Since then, she was lonely, because you didn't see you.
Ah, you were joking.
And if I wasn't,
what then?
Ah?!

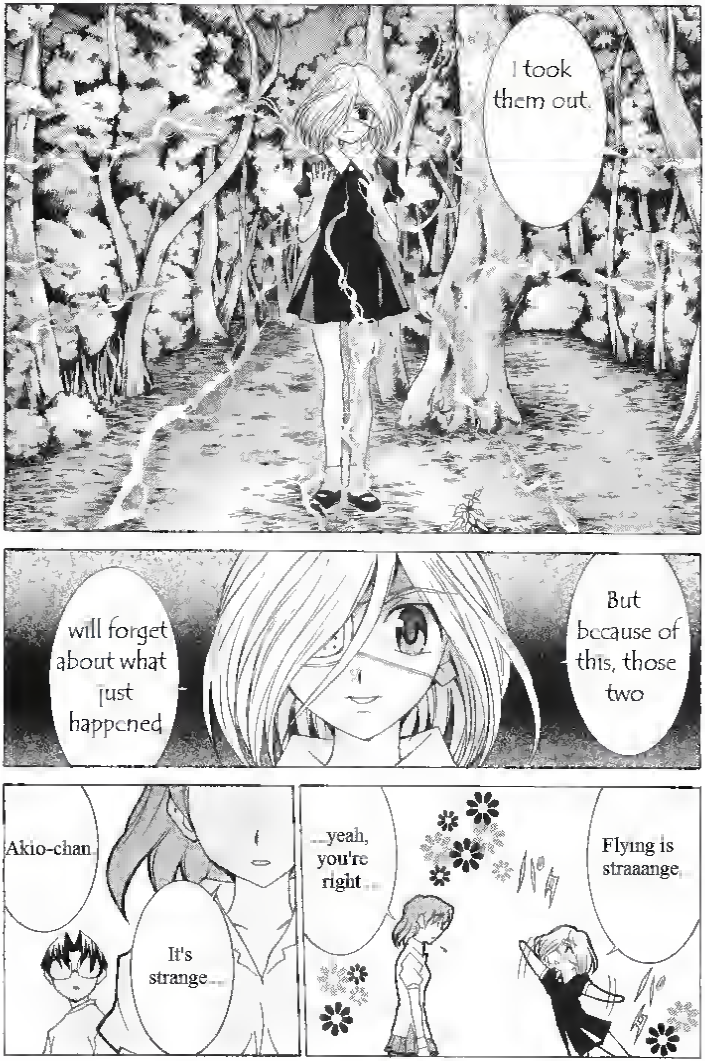
No! You've got to be kidding!!
Huh?
No, It's not an alien. Look!
I'm scared of aliens!!
I'm flying. Flying...

to the sun.
I'll expose it

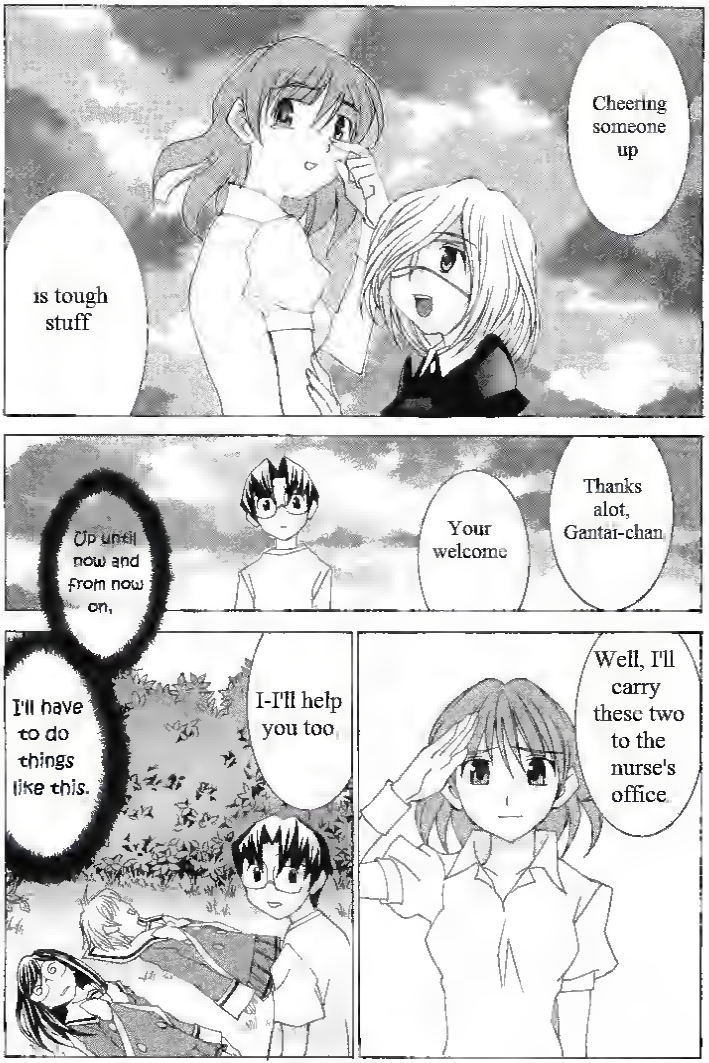


Akio-chan, you forgot to hide your abilities...
It is alien!!

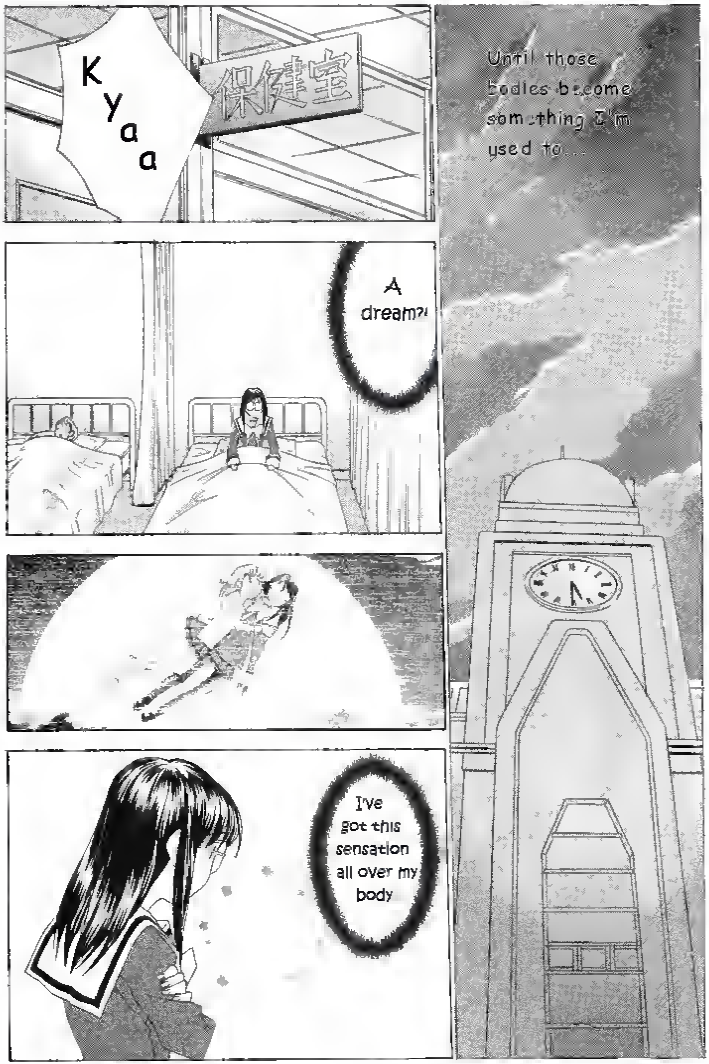
Sa...
Satou-san.
Over here!
There's an
alien right
here.
I... flew.
Y-
Yamada-sa...
Yamada-san!
Satou-san!!
An
enemy?!



I took them out.
But because of this, those two
will forget about what just happened
Flying is straaange...
...yeah, you're right...
It's strange...
Akio-chan



Cheering someone up
is tough stuff
Thanks alot, Gantai-chan
Your welcome
Up until now and from now on,
I'll have to do things like this.
I-I'll help you too
Well, I'll carry these two to the nurse's office



Kyaa
保健室
Until those bodies become something I'm used to...
A dream?
I've got this sensation all over my body

Awawa, where is Yamada -san going?
Hmm, probably
Alien...
An Alien...
Gokai Room
I'm certain that the chance I was given
was definitely ...
E-Excuse me We're from the creative writing club
